Office Memorandum • UNITED STATES GOVERNMENT

TO : PROJECT DIRECTOR

DATE: 2 April 1956

25X1A

FROM : [REDACTED]
Deputy Project Director

SUBJECT: SOP for Flow of Film

Mr. Bissell:

Since I find that Operations, Administration, and Materiel
are all involved to one extent or another in this film flow
process, in order to avoid confusion I believe that it is right
for us to place the primary responsibility for the detailed

plan with the Project Director of Materiel. Do you agree?
